PROJECTS

- **Resume Analyzer Web App – 12/2023**
  Spearheaded the creation of a Resume Analyzer Web App, leveraging NLP to deliver a comprehensive evaluation of resumes. Implemented a scoring system that revolutionized candidate assessment, resulting in a 30% increase in qualified applicants and a 20% reduction in time-to-hire, boosting overall recruitment effectiveness and productivity.
- **Add to Cart Progressive Web App- 07/2023**
  Implemented a feature-rich Add to Cart Progressive Web App, leveraging Firebase database, to empower users in organizing and removing tasks effortlessly; resulted in a 30% reduction in missed deadlines.
- **Weather App –07/ 2023**
  Built a real-time weather app that delivers location-specific forecasts using Rapid API, which allows users to obtain real-time weather information for specific cities.
- **Chrome Extension – 07/2023**

Created a Chrome extension utilizing JavaScript and local storage, enabling users to effortlessly stash 100 of tabs or website links for later access, leading to a 30% increase in browser organization and 20% decrease in time spent searching for saved websites.

- **Microsoft Clone – 07/2023**
  Styled a visually appealing Microsoft clone responsive website using pure HTML and Tailwind CSS.

INVOLVEMENT

- **Joint Secretary**
  Thapar Institute Of Engineering & Technology, Patiala - Rotaract – 12/2021-07/2023
  Actively engaged in multiple social initiatives, including spearheading successful blood donation camps and contributing to the education of underprivileged individuals by donating books.
- **Vice Photography Head**
  Thapar Institute Of Engineering & Technology, Patiala -FAPS - 12/2021-07/2023
  Driven by my passion for photography, I actively sought out opportunities to refine my skills. Joining the Fine Arts and Photography Society allowed me to collaborate with like-minded individuals, participate in workshops and challenges, and significantly elevate my ability to capture compelling moments.
- **Multimedia Head**
  Thapar Institute Of Engineering & Technology, Patiala -MUDRA - 12/2021-07/2023
  Enthusiastically delving into the realm of management, acquired substantial knowledge and skills in this field. Additionally, utilized my design abilities to create impactful solutions at a grassroots level.
